That's the story of my life  
That's the difference between wrong and right  
But Billy said, "That both those worlds are dead"  
That's the story of my life

That's the story of my life  
That's the difference between wrong and right  
But Billy said, "That both those worlds are dead"  
That's the story of my life

That's the story of my life  
That's the difference between wrong and right  
But Billy said, "That both those worlds are dead"  
That's the story of my life
