There is no reason
To treat me this way
Take all my love
And just throw it way
All of my hopes and dream
You took away everything and -

There is no reason
There is no reason
Treat me this way

(you gonna keep this going)

There is no reason
To cause me such pain
Turn out the sunlight
Turn on my rain
All of my hopes and dream
You took away everything and -
There is no reason
There is no reason
To treat me this way

All of my hopes and dream
You took away everything

There is no reason
There is no reason
To treat me this way

Oh, baby, this way
Oh, you treat me this way
Oh, baby, this way
