Aha Aha (na na ni), Aha Aha (oh na na, oh na na)
Yea Yea Yea N Dubz N Dubz N Dubz

Its like first things first,
you probably think im chap with good manners,
later im the scum of the earth,
Im the worst of the worst,
I aint boastin bout my verses,
Im speakin bout the way i run around snatchin purses,
But every meanin has a purpose,
Jus because i neva went to school dont mean i cant be
perfect,
for screamin out loud we addicted to money like 2
fingers tapping on the rev,
An believe me yea were proud,
Cuz life is gettin sicker by the day,
therefore we'll always stick around,
Tonight you'll see the size of me,
You wouldnt think im any harm,
Think again ill take u realy nicely,
Shut up ur wife to be,
Middle class daddys girl,
Think i need to get me a new 1 thats just right for me,
come on you wanna fight with me,
you might aswell be polite to me,
unless you wanna deal with 15 roughed up,
been through too much stuff thats not right for me,
Sit you down an remove all ya designer garmets off ya
silently,
so i suggest go some were else an try to impress,
cuz deep beneath ya u aint neva gettin respect.

I mean last night,
I had a dream that i was rich as hell,
Sick thing was i was actin like a bitch aswell,
Funny how money can make a lot of people change,
Think your my friend blood im tellin you you aint.

(CHORUS)

You betta not waste my time,
I got better things on my mind,

I need to leave jerks like you behind,
Cuz all they ever do is just bring me down,
So will you let me be?
Ill make you dissappear,
When you hear the word money thats the only time you
eva interfear,
I thought that you was there (na na na)
But i guess im wrong
Why would you care?

Ever once apon a time,
when i was just 13,
so innocent and giving,
everyone would act like they love me,
then all the bitchin and rumours began,
seem like i didnt have any friends,
So much hate, lies an deceit,
Caused by all that jelousy,
But do you bitches really think that im the same girl i
used to be?
Do you really think i would back down to you hoes if you
tried to bring it to me,
I know your hatin cuz your man keeps watchin,
but i dont even want it so tell him stop talkin,
Boy ya head, i get up close to my door,
You wake up theres nothin your 20 yrs old.

(CHORUS)

You betta not waste my time,
I got better things on my mind,
I need to leave jerks like you behind,
Cuz all they ever do is just bring me down,
So will you let me be?
Ill make you dissappear,
When you hear the word money thats the only time you
eva interfear,
I thought that you was there (na na na)
But im guess im wrong
Why would you care?

I remember them days when i didnt have no rhymes,
Had to sing my verse in the class till it was home time,
I never used to pay attention in school,
Was playing penny up the wall in detention room 4,
Thats why most of teachers used to doubt me,
they used to say i wouldnt make it in the music to see
me get roudy,
So i could switch in the classroom for an excuse to kick
me out,
Wonder why im bunkin all my lessons in the bathroom
now,

Now im starvin hungry,
Working hard for this super stardom life,
Been kinda hard for me to try an make it right,
And its hard to decide,
Wether i should leave behind my peeps in this life,
An move forward n seek what i find,
This life is lethal being born addicted to crack,
So im acheiving the people,
Dap i said it first dont mean jus because im black
doesnt mean that i cant be equal
For screaming out loud,
We is addicted to mics,
Like two nostrils (sniffin),
And believe me yea were prouder,
Cuz lifes been sick from day n now its only guna get
harder,
I love my nike air,
But now movin on to gucci and Prada
Used to lookin rugged,
Betta touch look smarter,
An no you dont no me, and no you aint my crooney
but there nothing on these streets you can ever try and
show me.

(CHORUS) x 3

You betta not waste my time, (time)
I got better things on my mind,
I need to leave jerks like you behind,
Cuz all they ever do is just bring me down,
So will you let me be?
Ill make you dissappear,
When you hear the word money thats the only time you
eva interfear,
I thought that you was there (na na na)
But I Guess i'm wrong
Why would you care?

N Dubz, N Dubz,
N Dubz N Dubz,
2000 and sexy,
No time for wastin,
This is for all them backstabbers,
Who wernt around when we had nothin,
Always seek to interfear when they hear the word
money,
Money! You wanna fiver?
Get the hell outta here son!
f**k off!
Get Out!!
HaHaHa
