Verse I

Was it something that I said that messed
With your head the other night things were
Right had no reason to be up tight
Have you changed or rearranged your
Life to fit me in or are you couture just
To promote ya seeing there would be no
End like fling

Chorus

(News) what's wrong with
You, why do you treat me like you do,
(heyy) what's wrong with you (oh) what's
wrong with you (Ohhh)

what's wrong with you,
why do you treat me like you do,
(heyyy) what's wrong with you (oh) what's
wrong with you
