A song to soothe you son of mine
Your broken bones heal in due time
Another day in silence suffer such a bitter pill
We're the sons and daughters daddy hates to much to
kill
stay home
stay home
stay home
stay home
Revenge is mine saithe the lord
And you only hit me when you're bored
Story books and happy endings bite your lip in fear
Pray the next blow kills you so you won't have to be
here
stay home
stay home
stay home
stay home
You said son, I didn't mean it
there's something wicked on the inside living in me
She said son, he didn't mean it
there's something wicked on the inside
She said son, he didn't mean it
there's something wicked on the inside
She said son, he didn't want it
there's something evil on the inside
Revenge is mine saithe the lord
And you only hit me when you're bored
Story books and happy endings bite your lip in fear
Pray the next blow kills you so you won't have to be
here
stay home
stay home
stay home
stay home
stay home
stay home
stay home
stay home
stay home
there's something wicked on the inside
She said son, he didn't mean it
there's something wicked on the inside

She said son, he didn't mean it
