I dont even know what day it is  
So tell me whats your name again (Girl whats yo name)  
Girl please don't take offense (Yo whats yo name)  
But you gotta tell me whats your name again  
I live my life on the road  
I do so many shows  
I meet so many ho's  
So I need to know  
whats your name

Yo, I get around  
I'm on the go  
forgot your name I'm kinda slow  
In and out of states  
show after show  
and I meet alot of girl that love my flow  
so hard I try to remember  
that night one hell of a bender  
I be you a dime cuz you caught my eye  
but I forgot your name cuz I'm often high  
so many venues  
tons of parties  
whats on the menu?  
tons of shorties  
was it Lindsey? Damn Lisa  
When it comes to names amnesia

I dont even know what day it is  
So tell me whats your name again (Girl whats yo name)  
Girl please don't take offense (Yo whats yo name)  
But you gotta tell me whats your name again  
I live my life on the road  
I do so many shows  
I meet so many ho's  
So I need to know  
whats your name

I forget a lot of names living like this  
got so many dames on a late night tip  
scream little mama  
follow my click

como say ama  
swallow my...  
Craig it's been a while since we hopped in bed  
think I recognize you from the top of your head  
damn whats up with the chicks I see  
My brain must be playing tricks on me  
take no offense I love my ladies  
problem is, I got like 80  
call me rude but I ain't shady  
forgot your name Imma call you baby

I dont even know what day it is  
So tell me whats your name again (Girl whats yo name)  
Girl please don't take offense (Yo whats yo name)  
But you gotta tell me whats your name again  
I live my life on the road  
I do so many shows  
I meet so many ho's  
So I need to know  
whats your name

I remember your face  
pretty little frame  
blonde or brunette did your hair color change  
four play games I remember you came  
But for the life of me I can't remember your name  
whats yo name  
Girl it's not like that  
let me get you a drink and I'll be right back  
And when I come back Imma have you wet  
Like hi my name is Craig baby have we met?

Whats yo name  
Cause I don't remember  
Girl whats yo name  
Cause I don't remember  
Girl whats yo name  
Cause I don't remember  
Girl whats yo name  
But you gotta tell me whats yo name again

I dont even know what day it is  
So tell me whats your name again (Girl whats yo name)  
Girl please don't take offense (Yo whats yo name)  
But you gotta tell me whats your name again  
I live my life on the road  
I do so many shows  
I meet so many ho's  
So I need to know  
whats your name
