"Crazy Mexican"

Visit "[Crazy Mexican](#)" on MotoLyrics.com

Misrepresented as severely demented
Never insane but too many times tempted
Relentless is the approach that I'm taking
Star's in the making, no room for faking
Exploring all dimensions..from every generation
A menace to the world, a menace to this nation
Tell the nitty gritty, got rhymes that are witty
Never show pity, ..never lack kitty-kitty
H-town is my city|all the ho's here are pretty
Real tight booty with a nice pair of titties
I be lifting up spirits..tell me how you feel
Burning up my lungs puffing on some killa kill
My words are hard hitting, like a line of cane
Like a shank through your heart, like a bullet in your brain
Success is a bitch though, I gets no sleep bro
Haters all around everywhere I go
Never see me twitching, let me catch you slipping
Son you'll be wishing, that you never started tripping
Got my nine ready and I'm aiming with precision
Taking out fools like I'm working on commission

Face to face we standâ€¦.toe to toe

What you wanna do bitch, throw down ho

Say when, say when, won't even count to ten

How you like getting murdered by this Mexican?

Chorus

Don't you fuck with himâ€¦â€¦â€¦.

He's a crazy Mexicanâ€¦â€¦â€¦.

Tells it like it is

Making money selling hits

Stepping on toes, coming on through

Fuck with me..turn your face black & blue

Pick and choose, you want life or death

You talking to the reapper best show respect

One of a kind, I'm the sinister minister..

Jury with the verdictâ€¦a ruthless executioner

Call me el Padrino, cold blooded Assesino

Can't duplicate my style, tan puro y tan divino

Devious to the bone, Mr. Sly, Mr. Crafty

Making rukas crazy, Mr. Playa, Mr. Nasty

Haters all around me creeping in the night

Barking all the time but them suckas never bite

Puro pinche pedo,â€¦vatos tienen miedo

Envy this Mexicano porque todo lo que tengo

You push me to the limitâ€¦. luego lla es muy tarde

Me encargo de que nunca encuentren tu cadavre,

Lla sabes te lo dije â€¦..this is your only warning

Fuck with me againâ€¦ and you'll never see the morning

I'm the story tela, ..put your ass to sleep

Bullet between the eyes, lights out, sweet dreams

A tisket a tasket, your in a shiny casket

Talking all that shit so your stupid ass got blasted

Chorus

Maranitos dressed in blue..are keeping tabs on me

They ain't proving shit.. I'ma stay my ass free

Like a thief in the nightâ€¦slippin in and out

I'm a pro in the gameâ€¦.without a doubt

Expand my horizonsâ€¦.. Expand my mind

Bout to take a little journey with the help of this dime

Lunatic tendenciesâ€¦establishing my dynasty

Fulfilling all fantasies..from sea to shining sea

Working on my expansionâ€¦plan is in action

Coming to your town I'm a sell out attraction

A messenger in the game....bringing symbolismâ€¦.

Prophet like messagesâ€¦spreading all kinds of wisdom

Subliminalâ€¦ underestimated criminal

Never minimalâ€¦.. undisputed musical miracle

Lyricalâ€¦â€¦Cynicalâ€¦.Unpredictable

Violator, Mutilator..home wrecker, devastator

Educatorâ€¦regulator..squashing all the playa haters

Follow what I'm sayingâ€¦feel the meaning that I carry

Don't understand a wordâ€¦better grab a dictionary

Class is in sessionâ€¦you better pay attention

Don't fuck with the professor teaching higher education

Callate lo sicoâ€¦y pone atencion

El maestro mariwano ensenando esta leccion

Chorus
