1st verse

Take a little journey in these worn out shoes

A day in the life of fucken playa Ru

Roll out of bedâ€¦. gotta scratch my head

Rub my eyes for a while..then stretch my legs

Don't know the dateâ€¦..lose track of time

All the same to meâ€¦â€¦..don't ask me why

Never worry muchâ€¦â€¦..just a layed back cat

Got the droopy eyes and a twenty sack

No fancy carsâ€¦â€¦â€¦haven't made it yet

But when I do..it be a benz and a private jet

See..I came out the Grove, 5609 Petty

Another hood in H-town..where you had to stay ready

For this and that, that, this and the other

So used to gunshots never ran for cover

These eyes of mine..have seen it all

From crazy ass thieves,â€¦to crooked laws

From killas to Saintsâ€¦.to whores and fiens

Sometimes my life feels like a dreamâ€¦â€¦â€¦

Chorus:

Coasting through,â€¦..this life of mine

If you only knew what lies inside

You would see and understand

Why I be a crazy Mexican..

2nd verse

Blow tons of smoke, drink the shit out of brew

Cause where I come from it's the thing to do

Watch my homies get lit they don't sleep for days

Don't try to judge me for the things I say

It's not a perfect world nor a perfect life

Though it seems a lot better after I get high

All my worries and cares go up in flames

Plus a bump or two surely numbs my brain

To be or not to be that is the question

I'm waiting for a sign a divine revelation

But for now I be and enjoy this sweet

Mutha fucka hit so good sweep me off my feet

Mr. Happy-go-lucky when I'm gone off the sticky

When I'm down in the kitty call me lickidi splitty

Chorus

3rd verse

Move around so much..like a fucken drifter

Not much to my name..do you get the picture

Have a wife and daughter..not the best of fathers

Yet I still provide at least bread and water

You can call me sorry..or even a bastard

Call me both if you like cause I know I'm an asshole

Can't help myself even though I try

Rather see me smile than to watch me cry

I do what I do and I do it well

Got a one way ticket going straight to hell

I know it's sad but what else can I do

Crazy Mexican .aka playa Ru

Chorus
