[Lil Wayne - talking]

And if you can't feel it I'ma touch ya  
Nothin' makes a situation better than chedda  
And I'm cuttin' through that cheese like a shreda  
So I guess I'm famous like a Nanja Turtle  
But I ain't got nothin', nothin' but money  
Cuz if I don't do, if I don't do

[Hook 1]

If I don't do nothin' I'ma ball  
I'm countin' all day like the clock on the wall  
Now go and get ya money lil' duffle bag boy  
Say go and get ya money lil' duffle bag boy (Remix

[Lil Wayne Verse]

The block is hot, the flow is so ice cold  
Walkin' into the bank, honey I am home

Said goodbye to the game, but I'm still wavin'  
And no disrespect to the lil' ladies  
But fuck nine months, I hustle all year baby  
All yeah baby, I know you lovin' that  
Thee be where the d be, dope boy wit a duffle bag  
Wit a duffle bag til they put it in the air  
Call me Mr. President or call me Mr. Ever Care  
Or Mr. Everywhere or Mr. Never Care  
Or Mr. Never Scared, no you could never scare  
Me, yeah me in the kitchen wit that big pot  
Bitch I'm on my, bitch I'm on my tank top, tick tock
