I close my eyes  
Try to tell myself, it'll be alright  
But my doubting mind  
Is against me now, I can't hold it down.  
I thought I was a strong man  
I don't wanna say that I'm falling apart.  
I know I'm gonna break,  
So what's it gonna take to get to my heart.  
Oh, You want my heart.  
And sometimes

You shatter dreams, You tear down walls  
You wake me up, when I'm half asleep  
Just to get to me.  
You shower me, when I don't deserve  
You never hold back anything, no  
Just to get to me.

I don't deserve  
For You to chase me down, to call me out.  
One day I hope to learn  
How to completely give you all of me, hey  
Through all my testing,  
You have never left me falling apart.  
I know I'm gonna break  
Do what it's gonna take to get to my heart.  
If that means

You shatter dreams, You tear down walls  
You wake me up, when I'm half asleep  
Just to get to me.  
You shower me, when I don't deserve  
You never hold back anything, no  
Just to get to me.

Before I ever had a heartbeat  
Before I even had a name  
You held my life inside of Your hands.  
Every door that You open,  
And every road that You've closed,  
Was Your plan in motion to make me who I am.

You shatter dreams, You tear down walls  
You wake me up, when I'm half asleep  
Just to get to me.  
You shower me, when I don't deserve  
You never hold back anything, no  
You never hold back  
You never hold back anything,  
Just to get to me.
