I ain't baby-sitting  
I ain't baby-sitting  
I ain't baby-sitting

You crazy, woman?  
I ain't baby sitting

Oh, hell no

She had six implanted embryos after givin' birth to six  
Now everybody's sayin' damn how crazy is this chick?  
Damn

Pregnancy glow  
Ain't got the dough  
But shawty want  
Mo' mo' mo' mo' mo' mo' mo' mo' mo'

Shawty's now got fourteen kids which is pretty whack  
Obstetrician had to give eight baby booties a big smack

Water hits the flo' (nasty)  
Next thing you know  
Shawty's got  
Mo' mo' mo' mo' mo' mo' mo' mo' mo'

Ain't never seen a big belly like that grow  
This crazy chick's a baby-poppin' pro  
Got a million-dollar bill in incubation fees  
Food on the walls, house filled with fleas

And her expectations were not for donations  
'Cept church congregations  
And PayPal locations  
She had complications  
Childhood aspirations  
That's her explanation

Pops 'em out like a toaster  
Needs a pacifier holster  
And a pimped-out stretch stroller

She's a food-stamp high-roller
