What's a sweatheart like you doin'
in crummy dumps like those ?
Why do you do the things you do ?
sp-sp-sp spasm, baby
ravin' comatose
Why do you do the things you do ?
You slam to a different hardcore
stoned to the bone
Why do you do the things you do ?
It makes me miss the ol' bee gees,
sly & the family stone
Why do you do the things you do ?
Come on everybody
Shake your booty
on the dance floor
all night long
dance to the german disco !
