I used to be
the worrying kinda guy
Never know what to do
with my life
What do I really want to be ?
And would I get
a silly pretty little wife ?
But since I met you
I feel free

[Chorus:]
'cause I know you
you know me
Together we can have fun
There's no need for sorrow
There's always tomorrow
for a boy and a girl
living in a simple world
Now I don't have to worry
not anymore
As long as I'm with you
I feel fine, just fine
You're all I think of
All of the time
To hold you in my arms
And call you mine

[Chorus]
