It rains on the street, my heart sends me beats.
It rains on the street, my heart sends me beats.

Beats of love, beats of love, love, love.
Beats of lo o-o-o o-o-o o-o-o o-o-ove.
Beats of love, beats of love, love, love.
Beats of lo o-o-o o-o-o o-o-o o-o-ove.

It rains in my heart because you threw me a dart.
It rains in my heart because you threw me a dart.

Beats of love, beats of love, love, love.
Beats of lo o-o-o o-o-o o-o-o o-o-ove.
Beats of love, beats of love, love, love.
Beats of lo o-o-o o-o-o o-o-o o-o-ove.

One, two, three, four, five, six, seven!
Me and my baby go to heaven!
One, two, three, four, five, six, nine!
Me and my baby gonna have a good time!
Lalala lalala lalala, lalala lalala lalala, la la la la la la
laaaaaaaaaa.
Lalala lalala lalala, lalala lalala lalala, la la la la la la
laaaaaaaaaa.
Ah !

It rains in my heart because you threw me a dart.
It rains in my heart because you threw me a dart.

Beats of love, beats of love, love, love.
Beats of lo o-o-o o-o-o o-o-o o-o-ove.
Beats of love, beats of love, love, love.
Beats of lo o-o-o o-o-o o-o-o o-o-ove, yeah!
Beats of love, beats of love, love, love.
Beats of lo o-o-o o-o-o o-o-o o-o-ove.
Beats of love, beats of love, love, love.
Beats of lo o-o-o o-o-o o-o-o o-o-ove, yeah !
