Stand up and sing for victory will come  
The banners of union assemble in the sun  
And you'll be there beside me on the march  
Then you'll see the banners and the singing  
Bursting forth, the dawn whose coming we proclaim  
Red as blood, its' rays set us aflame  
Stand up and fight, our hearts are all aflame  
A new life is coming to put the past to shame  
Your happiness is part of this our fight  
A thousand cries will rise into a clamour that will  
Proudly sing and we cannot be wrong  
Freedom is the content of our song  
Chorus

Now is the time for the people to rise up  
In struggle and utter their war cry: advance!  
El Pueblo Unido Jams Ser Vencido  
El Pueblo Unido Jams Ser Vencido

Our country is rising, its unity is strong  
From north to south they come to join the throng  
From nitrate fields the men are streaming in  
Streaming in from the forests in the south, they are  
Together now, their struggle has begun  
Their union foretells the shape of things to come  
Stand up and sing in a million blending parts  
The people will win for the truth is in their hearts  
Of steel our will, battalions we will build  
Justice and reason will be our battle cry  
Now look the women too, their hearts are bold and  
brave  
Ranged beside the workers mighty wave  
Chorus

Now is the time for the people to rise up  
In struggle and utter their war cry: advance!  
El Pueblo Unido Jams Ser Vencido  
El Pueblo Unido Jams Ser Vencido  
The people united will never be defeated top
