Spanish heavens spread their brilliant starlight
High above our trenches in the plain
In the distance morning comes to greet us
Calling us to battle once againChorus

Far off is our home yet ready we stand
We're fighting and winning for you
Freedom
Freedom

We'll not yeild a foot to Franco's fascists
Even though the bullets fall like sleet
With us stand those peerles men our comrades
And for us there can be no retreatChorus

Far off is our home yet ready we stand
We're fighting and winning for you
Freedom
Freedom
Beat the drum ready the bayonets
Forward march Victory our reward
With our scarlet banner smash their colum
Thalmann Battalion forward marchChorus

Far off is our home yet ready we stand
We're fighting and winning for you
Freedom
Freedom
Freedom
Freedom
