It was my boyfriend's family not something crazy  
He took me to meet his old Granny  
Then something phased me  
She's not like most elderly  
She kept glaring from behind the chips  
I went to kiss her on the cheek  
And  
She went for my lips!

I kissed a girl and I liked it  
Taste of her denture cream  
If I had a drink she would have spiked it  
But it's okay with me  
I was enticed  
I found my vice  
I wish she had planted one on me twice  
It was my sin soft wrinkled skin  
Stretched saggy chin  
A toothless grin

No I don't even know her age it doesn't matter  
Lock me inside an iron cage it will not shatter  
This burning flame it can't be tamed  
No! I cannot resist her snow white hair

Vintage wheelchair  
Sparks flew the moment we kissed!

I kissed a girl, and I liked it  
Taste of her denture cream  
If I had a drink she would have spiked it,  
But it's okay with me  
I was enticed I found my vice  
I wish she had planted one on me twice  
It was my sin soft wrinkled skin  
Stretched saggy chin  
A toothless grin

I don't what happened to me  
My taste went from Brad Pitt to grannies  
Walkers, dentures, and hearings aids

I like my ladies older by  
Decades.....  
Oh uh oh oh uh oh oh oh uh ohhhhhh.....  
SECURITY!!
