Chorus:

It's Halloween (3X)

It's the night

It's the night

It's the

Verses:

It's the witching hour, it is the night

When what you see may cause serious some fright

But outfit disasters tonight are excused

They may just leave some feeling very confused

Pre Chorus:

As for my brother Rex

He can wear his latex

It's fine to be Obama

Just don't dress as Osama

Spongebob's a creepy old man

Kids don't get into his van!

Chorus:

It's Halloween (3X)

It's the night (3X)

Ken in a box

Popped her chicken pox

That looks like it hurt

Got a little on your shirt

That's a really nice peel

A yummy hamburger meal

Won't be going back for thirds

I'm at a loss for words
