Here's an invitation and you gotta bring your friends  
along.  
Gonna pick you up tonight at one.  
A private Vengaparty that is gonna last the whole night  
long  
Party till the cops show up, 'cause then we gotta run.

We don't care what the people say,  
Nothing's gonna stop us gonna do it anyway.  
Tonight's the night let us show you how  
Hey what u waiting for... get in the water now!!!!

Listen up tonight it's on  
Take your clothes off  
Skinnydippin' all night long  
That's what we love  
Come along let's have some fun  
Take your clothes off  
Skinnydippin' all night long

Get in the water now!  
Take your clothes off!  
Get in the water now!  
That's what we love!
