Wake up in the morning, gonna find a guido  
A nice, juiced, hot, tanned guy  
who might look good in a Speedo  
Before I leave, tease my hair  
put the pouf in the back  
and most importantly  
i gotta bronze my face with shellac

I'm talking,  
grab a pickle for the road (road)  
Get into the Jersey mode (mode)  
Get the pouf it's own area code (code)

{laugh}

Little Italian flags on my toes (toes)  
Got my signature guidette pose (pose)  
Maybe today I won't get socked in the nose (nose)  
(nnnnnnnnnnnose)

CHORUS:

Let's score, in Jersey Shore  
Ouch my hair's stuck in the door!  
Be as tan as i can so that  
i can steal your man  
When i walk down the block  
all their heads will turn in shock  
oh oh oh oh, oh oh oh oh

CHORUS(repeat):

Let's score, in Jersey Shore  
Ouch my hair's stuck in the door  
be as tan as i can so that  
i can steal your man  
When i walk down the block  
all their heads will turn in shock  
oh oh oh oh, oh oh oh oh
