Looking out the window
As it rains
My stomach rumbles
I'm hungry for some brains
Nobody understands
My pain

Everyday at school
I walk down the hall

I flash a smile
And wink at my crush
Paul
He runs
To the boys room
To hide
In a stall

He's the school editor
I'm a predator
He eats cheese
And
I eat arteries
I'm dreaming about the day
When he'll stop running away
And he'll see what's underneath
Looking past my razor teeth

If he could be with me
And feel the way that I feel
I promise he
Will not be my next meal
There's more to me
But to him
I am
Just a
Zombie

Be with me and feel
The way that I feel
I promise he will

Not be my next meal
There's more to me
