Everybody needs my creations
Everybody needs my clothes
A beautiful melody
My face between your toes
Even it's doomsday
You won't have to dismay

When the world
Is falling apart
You just go
Buy my clothes at Wal-Mart
If you don't
Well then...
You'll look like poo

When the waves
Are flooding your house
Well, who cares
As long as your wearing my blouse
Or else...
You know
You'll look like poo

Fashion is my salvation
I always look cute
That's why people watch me sing
With the sound on mute
When you are dodging debris
Just turn on my new cd
WHen the bombs are exploding
Like that just put on
My leopard print fedora hat
Or else...
You know you'll look like poo

When the wind
Is taking control
Find an ice cream stand
And grab onto that pole
Work It girl
Or else you'll look like poo

Then there's my Hannah Montana brand;
Fabric chairs, Underwear, Chapstick rings
Barbie swings, Pink lip gloss, Dental floss
Orange juice, Shaving moose, Eye glitter
Cat litter, Gold watches, Laxatives
Bedding sheets, Candy treats, Deli meats!
