Let it rain yeah
Let it rain yeah
This is a celebration of water
Listen

You give me rainbow in the sky
You touch the sun and make him cry
You kiss the flowers and they shine
Just like a million butterflies.
The animals in the jungle
And all the fish in the ocean
they gather and rumble and they ask for you to come
the animals in the jungle and all the fish in the ocean
They all want for you to come, come.

Chorus:
Let it rain, let it rain on me tonight
Let it rain, let it shine another light
Let it rain, let it rain on me tonight
'cause everything is gonna be Ok tomorrow.

Let it rain

You give me rainbow in the sky
You touch the sun and make him cry
You kiss the flowers and they shine
Just like a million butterflies.
The animals in the jungle
And all the fish in the ocean
they gather and rumble and they ask for you to come
the animals in the jungle and all the fish in the ocean
They all want for you to come, come.
Let it rain yeah.

Chorus:
Let it rain, let it rain on me tonight
Let it rain, let it shine another light
Let it rain, let it rain on me tonight
'cause everything is gonna be Ok tomorrow.

Let it rain, let it rain rain rain rain

The animals in the jungle and all the fish in the ocean
and they ask for you to come.

[Chorus:]
