I feel you
Your sun, it shines
I feel you
Within my mind

You take me there
You take me where
The kingdom comes
You take me to and lead me through Babylon

This is the morning of our love
It's just the dawning of our love

I feel you
Your heart it sings
I feel you
The joy it brings

Where heaven waits
Those golden gates
And back again
You take me to and lead me through oblivion

This is the morning of our love
It's just the dawning of our love

I feel you
Your precious soul
And I am whole
I feel you

Your rising sun
My kingdom comes

I feel you
Each move you make
I feel you
Each breath you take

Where angels sing
And spread their wings
My love's on high

You take me home to glory's throne by and by

This is the morning of our love
It's just the dawning of our love
