I got my top down
And I'm ready to roll
Watch me go now
I'm leaving this town
To the Costa del Sol
Come on let's go now
The stars are out tonight
The moon is shining down on me
With rays of pure delight
And I'll be spendin'
24/7 in my 911
And I ain't gonna work
A 9-2-5
24/7 in my 911
On a highway to heaven
It's the time of my life
Cruisin'
Cruisin' down the street
Cruisin'
Cruisin' down the street
Up and down the street

You're my lover

You're my Romeo

Watch me glow now

Rockin' to the Rhythm

On Venga Radio

Don't let go now

Bridge

24/7 in my 911

And I ain't gonna work

A 9-2-5

24/7 in my 911

On a highway to heaven

It's the time of my life
