a dream is a wish your heart makes
when you're fast asleep
in dreams you will lose your heart aches
whatever you wish for you keep

have faith in your dreams and some day
your rainbow will come smiling through
no matter how your heart is grieving
if you keep on believing
the dream that you wish will come true

a dream is a wish your heart makes
when you're feeling small
alone in the night you whisper
thinking no one can hear you at all
you wake in the morning sunlight
to find fortune that is smiling on you
don't let your heart be filled with sorrow
for all you know tommorrow
the dream that you wish will come true

when you can dream
then you cant stop
a dream is a wish you make with your heart

when you can dream
then you cant stop
a dream is a wish you make with your heart
