If you're alone and you need a friend
Someone to make you forget your problems
Just come along baby
Take my hand
I'll be your lover tonight
This is what I wanna do
Let's have some fun
What I want is me and you
Boom boom boom boom
I want you in my room
Let's spend the night together
From now until forever
Boom boom boom boom
I wanna do the boom
Let's spend the night together
Together in my room
Everybody get on down
The Vengaboys are back in town
This is what I wanna do
Let's have some fun
What I want is me and you
Boom boom boom boom
I want you in my room
Let's spend the night together
From now until forever
Boom boom boom boom
I wanna do the boom
Let's spend the night together
Together in my room
Boom boom boom boom
I want you in my room
Let's spend the night together
From now until forever
Boom boom boom boom
I wanna do the boom
Let's spend the night together
Together in my room
Boom boom boom boom
I want you in my room
Let's spend the night together
From now until forever
