Vengaboys are back in town

If you're alone and you need a friend
Someone to make you forget your problems
Just come along baby take my hand
I'll be your lover tonight

This is what I wanna do
Let's have some fun
What I want is me and you

Boom, boom, boom, boom, I want you in my room
Let's spend the night together from now until forever
Boom, boom, boom, boom, I wanna double boom
Let's spend the night together, together in my room

Everybody get on down
The Vengaboys are back in town
This is what I wanna do
Let's have some fun
What I want is me and you

Boom, boom, boom, boom, I want you in my room
Let's spend the night together from now until forever

Boom, boom, boom, boom, I wanna double boom
Let's spend the night together, together in my room

Boom, boom, boom, boom, I want you in my room
Let's spend the night together from now until forever
Boom, boom, boom, boom, I wanna double boom
Let's spend the night together, together in my room

Boom, boom, boom, boom, I want you in my room
Let's spend the night together from now until forever
Boom, boom, boom, boom, I wanna double boom
Let's spend the night together, together in my room

Boom, boom, boom, boom, I want you in my room
Let's spend the night together from now until forever
Boom, boom, boom, boom, I wanna double boom
Let's spend the night together, together in my room
