I'm not addicted I'm over my head in freebase
affection
I load a bowl, light the pipe suck it as it sucks my life
This is a war of attrition taking my life as I seek a
decision
I smoked my check, smoked my car, when I smoked
my house have I gone too far
"When-will-this-end....."

I've got a friend you see, he's my dealer
I smoked his coke, smoked his crack, he said it's time
that I paid him back
I've got a problem I've got no dinero
If I sold some coke would he let me go, if I paid him
back would he front me
Some more
"How-else-can-I-pay..."

Can't get out

I smoked away my frustrations
Can't Get out
I took them out on my wife
Can't Get out
I even tried to smoke her too
Can't Get out
But she wouldn't fit in the pipe
Can't Get out
I really can't get out
Can't Get out
So I went to a Doctor
Can't Get out
He said he'd help me for sure
Can't Get out
Give me \$200 bucks a night
Can't Get out
In 8 weeks you'll be cured
Can't Get out
I've really got to get out
Can't Get out
Then I opened my Bible

Let me out
And it opened my mind
Let me out
2 Timothy 4:18
Let me out
I'm gonna give it to Christ
Let me out
Jesus Let me out
Let me out
He Let me out
