baby your all that i want  
when your lying here in my arms  
im finding it hard to believe were in heaven  
(were in heaven)  
oh im thinking about our younger years  
there was only you and me  
we were young and wild and free  
now nothing can take you away from me  
we've been down that road before and thats over now  
you keep me comming back for more  
baby your all that i want  
when your lying here in my arms  
im finding it hard to believe were in heaven  
and love is all that i need  
and i found it there in your heart  
it isnt to hard to see were in heaven (were in heaven)  
now nothing can change what u mean to me  
thats a lot thats i can say but just hold me now cause  
our love will lead the way  
baby your all that i want when your lying here in my  
arms  
im finding it hard to believe were in heaven  
and love is all that i need  
and i found it there in your heart  
it isnt to hard to see were in heaven  
now our dreams are comming true throught the good  
times and the bad ill be standing there by you  
(were in heaven)  
love is all that i need and i found it there in your heart  
it isnt to hard to see  
where in heaven  
ah oh oh ah oh oh  
were in heaven
