2x: Na na na na na na na hey hey hey

Eight o'clock get up get outta bed
I feel like a truck went over my head
Another day of stress and sorrow
Skip breakfast cause I gotta go
An't got no time to take it slow
And I will do my hair tomorrow

PRE-CHORUS:

I can't take it no more
Oh no no no
Is this what I'm living for??

CHORUS: 2x

But my uncle John from Jamaica
Keeps on calling every day
Just buy a ticket, and take a
Summer Holy-Holiday

Six o'clock my job is still not done
The live I'm living ain't no fun
Too many days of stress and sorrow
My boss just won't give me a break
And this is more then I can take
Think I will quit this job tomorrow

PRE-CHORUS

CHORUS 2x

I Need a (holy-holiday)
You need a (holy-holiday)
We need a (holy-holiday)
Everybody needs a (holy-holiday)

CHORUS 2x
