[Book-T]

Yo Yo Niggaz aint fuckin with this originalist
Spooks aint bangin like this but more real is this
Uninventiveness amaze me, say to thee lyrically
Buy from Book-T but my inferial rap sixth sense
Speaking to cats i'm bringin em' back like
Bruce Willis in "Mad" matter a fact i'm laughin at cats
Who pike dad's. (lyrically done) like Kennedy dyin'
In planes flying in flames, forever blowin up cats like
Blackpump
Scorching your back and taunting your eardrum with
tongues

Ming-Xia check if your mic is on

[Ming-Xia]

A one-two, yes my mic is on, Hypno check if your mic is

[Hypno] (chorus x 2)

I know Y'all lookin for something FRESH
Something that Y'all havent heard YET
Something original and subliminal
Let me hit it yo let me haer ya say HO

[Ming-Xia]

You may need a translation for the knowledge that
goes
Over the peoples heads in the population spookdom
agency spies
Unveiling the lies of false prophets of rhyme paralyze
the superficial
Spoonfed James which we reprimand the media
commands
Propaganda enough times and you begin to believe
recycled wack
MC's and feel you up R&B button punching producers
with juvenile beats
Demean creativity but we got the remedy

[Hypno] (chorus x 1)

[J.D.]

The unorthodox rhyme execution that Spooks use may
leave you
The consumer mildly confused but actually you need to
relax
And stop anticipating the same rap patterns and
drumtracks
Adapted and practiced by a lot of our favourite acts too
much
Integrity is getting lost in the art Hip-Hop is not about
money and
Bitches so i'm a start expanding your horizons surprise
we got
Collages specializing in vibin with squads liver than
yours
Periodically see we like having a friendly but our lyrical
sparring partners
Always take it to far

[Ming-Xia]
