Big boy showing off all around the city still the same
for

Such a suite, thinking you're so bad hustlin'
Girls, handy phone, acting you're so busy baby
Let me tell you, you're the worst I ever had

Superfly, superfly
Superfly, slick dick
Superfly, superfly
Superfly slick dick

Superfly, superfly
Superfly, slick dick
Superfly, superfly
Superfly slick dick

Highbrow attitude, really don't impress me
I know where you coming from, see right through your
game
Luxury overdose won't make you possess me
Baby, let me tell you, in the end, it's all the same

Don't think I'm crying and trying to get you out of my
heart
No need denying that you have been lying from the
start
I thought this love would take us to the heights of
sensuality
But now I know that you're not even half the man you
said you'd be

Don't think I'm crying and trying to get you out of my
heart
No need denying that you have been lying from the
start
I thought this love would take us to the heights of
sensuality
But now I know that you're not even half the man you
said you'd be

Superfly, superfly
Superfly, slick dick

Superfly, superfly
Superfly, slick dick

Superfly, superfly
Superfly, slick dick
Superfly, superfly
Superfly, slick dick
