"Together, Wherever We Go"

Wherever we go,
whatever we do,
Were gonna go through it together.
We may not go far...
but sure as a star...
wherever we are its together.
Wherever I go, i know she goes!
Wherever I go, I know she goes!
No fits no fights no feuds and no egos!
Amigos!
together.
Through thick and through thin..
all out or all in...
and whether it's win, place, or show
with you for me, and me for you
we'll muddle through whatever we do-
together wherever we go!
