8 o'clock get up, get outta bed  
I feel like a truck ran over my head  
Another day of stress and sorrow

Skip breakfast 'cause I gotta go  
Ain't got no time to take it slow  
And I will do my hair tomorrow

I can't take it no more  
Oh, no, no, no  
Is this what I'm living for?

But my Uncle John from Jamaica  
Keeps on calling every day  
Just buy a ticket and take a  
Summer holi holiday

My Uncle John from Jamaica  
Keeps on calling every day  
Just buy a ticket and take a  
Summer holi holiday

6 o'clock my job is still not done  
The life I'm living ain't no fun  
Too many days of stress and sorrow

My boss just won't give me a break  
And this is more than I can take  
Think I will quit this job tomorrow

I can't take it no more  
Oh, no, no, no  
Is this what I'm living for?

But my Uncle John from Jamaica  
Keeps on calling every day  
Just buy a ticket and take a  
Summer holi holiday

My Uncle John from Jamaica  
Keeps on calling every day  
Just buy a ticket and take a

Summer holi holiday

I need a holi holiday  
You need a holi holiday  
We need a holi holiday  
Everybody needs a holi holiday

But my Uncle John from Jamaica  
Keeps on calling every day  
Just buy a ticket and take a  
Summer holi holiday

My Uncle John from Jamaica  
Keeps on calling every day  
Just buy a ticket and take a  
Summer holi holiday

But my Uncle John from Jamaica  
Keeps on calling every day  
Just buy a ticket and take a  
Summer holi holiday
