Oh weh oh, oh weh oh
Oh weh oh, oh weh oh

Something special's in the air this evening
Everybody's looking at the sky
Messages that we have been receiving
Vengababes are here to take you high

Oh weh oh, it's a cosmic celebration
Oh weh oh, vengababes are here to stay
Oh weh oh, get ready for the bass invasion
Oh weh oh, we are the

Vengababes from outer space
Here to save the human race
Happy face, just pump the bass
Gonna make this world a party place

Vengababes from outer space
Here to save the human race
Happy face, just pump the bass
Gonna make this world a party place

Now you know that we are taking over
And there is no need to be afraid
Just come and jump for fun, don't think it over
Everybody get up and celebrate

Oh weh oh, it's a cosmic celebration
Oh weh oh, vengababes are here to stay
Oh weh oh, get ready for the bass invasion
Oh weh oh, we are the vengababes from outer space

Here to save the human race
Happy face, just pump the bass
Gonna make this world a party place
