We Like To Party  
We like to party  
We like, we like to party  
We like to party  
We like, we like to party  
We like to party  
We like, we like to party  
We like to party  
I've got something to tell ya  
I've got news for you  
Gonna put some wheels in motion  
Get ready 'cause we're coming through  
Hey now, hey now, here's what I say now  
Happiness is just around the corner  
Hey now, hey now, here's what I say now  
We'll be there for you  
\*Chorus\* -The Vengabus is coming  
And everybody's jumping  
New York to San Fransisco  
An intercity disco  
The wheels of steel are turning  
And traffic lights are burning  
So if you like to party  
Get on and move your body  
We like to party  
We like, we like to party  
We like to party  
We like, we like to party  
Hey now, hey now, here's what I say now  
Happiness is just around the corner  
Hey now, hey now, here's what I say now  
We'll be there for you  
\*Chorus\*  
The Vengabus is coming  
And everybody's jumping  
New York to San Fransisco  
An intercity disco  
The wheels of steel are turning  
And traffic lights are burning  
So if you like to party  
Get on and move your body  
We like to party

We like, we like to party  
We like to party  
We like, we like to party  
We like to party  
We like, we like to party  
We like to party  
We like, we like to party  
The Vengabus is coming, the Vengabus is coming  
The Vengabus is coming, the Vengabus is

..

\*Chorus\*

The Vengabus is coming  
And everybody's jumping  
New York to San Fransisco  
An intercity disco  
The wheels of steel are turning  
And traffic lights are burning  
So if you like to party  
Get on and move your body  
The Vengabus is coming
