I saw you on Monday  
your eyes were blue  
i think your perfect the way that you are  
but its strange how your always  
taking things so far  
and I told you before  
in a moment alone  
that you'll always mean something to me  
but I might have been lying  
i might have been lying through my teeth  
lets just wait and see

you cant always want what you get  
and you haven't succeeded at nothing yet  
but I got better things to do  
then nothing and nothing yet  
and you better come clean

whoa ya, ya, ya

and I'm happy now  
I'm happy now  
I'm happy that you opened up your  
I'm happy now  
I'm happy now

happy that you opened up your  
happy now  
happy now

happy that you opened up your  
happy now  
happy now  
happy that you opened up your mind
