Precious moments with you, O Lord
You keep us day by day, O Lord
When we say our prayers to You
You are there to hear our cares

Precious moments to be with You
Walking hand in hand with Thee
For You are there at anytime
To listen and hear all our needs

Chorus:
For You are so precious dear Lord
So precious to hold on
When we keep You and hold on to You
We are safe within You...

When we're deep into sorrow
That precious moment with You in prayer
You lift up our burdens and cares
And enlighten all our hearts

HUI:
He lei makamae 'oe
Hiwahiwa na ka pu'uwai
Wili 'ia me kou aloha
Maluhia ke ola
