I don't know what you see
That i don't
Don't you know
Money doesn't grow off trees
Where have you been
You've discovered my evil sins
Cuz i don't know
What you see
That i don't

You told me that you were leavin
That's when i almost stopped breathin
You told me that i was conceded
All i can say is that
All i needed

Goes around
Comes around
I hear you cry the biggest sound
Shut the door
Make a scene
As you come away to scream
Legendary, way to carry
As we both begin to bury
love at all
Can do you wrong
Thats why i sing this faithful song

You told me that you were leavin
Thats when i almost stopped breathin
you told me that i was conceded
all i can say is
all i needed
all i needed
all i neeeeeeeeeeee

close your eyes with all your cries in all your liliies
wipe your tears
as you say good bye your fear

you told me that you were leavin

thats when i almost stopped breathin
you told me that i was conceded
all i can say is

you told me that you were leavin
thats when i almost stopped breathin
you told me that i was conceded
all i can say is that
all i needed
all i needed
all i needed

You don't have to go
