And in this body
That I occupy
I've asked you questions
That can make you cry
Until you come back
And apologize
It's very sinister
This land of mine

In this Body I occupy
In this Body I occupy
In this Body I occupy
In this Body I occupy

The tension's old and I
Am trying to say goodbye
And what you told me
I will amplify
It doesn't matter that you
Obviously lied
You only took me
To defalsify

In this Body I occupy
In this Body I occupy
In this Body I occupy
In this Body I occupy

Hey
Hey
Hey----
Hey-ey-ey
Hey-----

Time never stops
Oh no-- Time never stops
And we'll keep traveling back in time
Hey this is fun
This is fun
This is fun
This is fun, whoo

In this Body I occupy
In this Body I occupy
In this Body I occupy
In this Body I occupy
In this Body I occupy
In this Body I occupy
In this Body I occupy
In this Body I occupy
In this Body I occupy
In this Body I occupy
