Everybody's cried at least once
Everybody's laughed at least twice
And over and over again
Everybody's cried at least once
Everybody's laughed at least twice
And over and over again
I don't want you to get involved
Again

But I want you to join me in my quest
Again

Conflict with my life

Is the beginning

Conflict with my life

Is the beginning

Conflict with my life

Is the beginning

Everybody's cried at least once

Everybody's laughed at least twice

And over and over again

Everybody's cried at least once

Everybody's laughed at least twice

And over and over again

I don't want you to get involved

Again

But I want you to join me in my quest

Again

Everybody's cried at least once

Everybody's laughed at least twice

And over and over again

Everybody's cried at least once

Everybody's laughed at least twice

And over and over again

Everybody's cried at least once

Everybody's cried at least once

Everybody's cried at least once

Everybody's cried at least once

Everybody's cried at least once

Everybody's cried at least once

Everybody's cried at least once

Everybody's cried at least once
