My mind turned around
I'm seeing things upside down
My mind turned around
I'm actin' like a clown

Chorus
Cause the Girl of My Dreams
Was right next to me
And she was sittin' on my lap
I didn't catch your name
But I'm going insane
I'm in love with a girl

I will find her
I will get her
I will make her little heart
Come through
I will see her
From miles away
From here today
In my head

Ohhhh
Ohhhh

What if the girl of my dreams
Was right next to me

Chorus

I will dream of her when she's not there
And when she is I will too
I will need her as of now
I will bow for her effection

Ohhhh
Ohhhh

What if the girl of my dreams
Was right next to me

Chorus

I'm in love with a girl x3

Ohhhhh
