I could be anything I wanna be
I could be anything I wanna be

Like a bird flyin up in the tree
Like a bee stingin for honey

I could be anything I wanna be
I could be anything I wanna be

Like a fish swimmin in the sea
Like a copy of someone like me

I could be
I could be
I could be
I could be

I could be anything I wanna be
I could be anything I wanna be

Like a rapper for example Jay-Z
Like a skateboard prodigy

I could be anything I wanna be
I could be anything I wanna be

Like a frog jumpin on a leaf
Like horses runnin free

I could be
I could be
I could be
I could
I could be
I could be
I could be
I could be
