"I Couldd Be"

I could be anything I wanna be

I could be anything I wanna be

like a bird flying up in the tree

like a bee stinging for honey

I could be anything I wanna be

I could be anything I wanna be

like a fish swimming in the sea

like a copy of someone like me

I could be

I could be

I could be

I could be

I could be anything I wanna be

I could be anything I wanna be

like a rapper for example Jay Z

like a skateboard prodigy

I could Be

I could be

I could be

I could be

I could Be

I could BE!
