If you can make it through the rain  
You can make it through the sun!  
So hold on  
We'll see what happens to you and me  
We'll see what happens to you and me  
There will be some tough times  
And some rain  
And some bleedin'  
There will be some pain  
I wouldn't admit  
There'll be some agony  
If you can make it through the rain  
You can make it through the sun!  
So hold on  
We'll see what happens to you and me!  
We'll see what happens to you and me!  
There'll be some horror  
Some blood  
N' some death  
Some nights of sorrow  
It's true  
But what about the song?  
If you can make it through the rain  
You can make it through the sun!  
So hold on  
We'll see what happens to you and me!  
We'll see what happens to you and me!  
WOOOOOO!  
WOOOOOOOHOOOOOOO!  
HEYYY!!!!  
Bom bom bom bom bom bom bom bom bom bom  
bom  
Bom bom bom bom bom bom bom bom bom bom  
bom  
If you can make it through the rain  
You can make it through the sun!  
So hold on  
We'll see what happens to you and me!  
So hold on!  
Hey hold on!  
Happens to you and me!

Hold oooooon!  
We'll see what happens to you and me!  
So hold oooooonnnnn!  
We'll see what happens to you and ME!
