No night can be perfect but this comes pretty close, oh
oh ohh

No night can be perfect, but this comes pretty close, oh
oh ohh

Two is the luckiest number
(4X)

This school is as half as old as you.
Aren't you too young to be doin the things you do.
that's what the stalker said when he was feelin blue.
I don't believe

two is the luckiest number
(4X)

Though this man that said anything that's new
of all the lies he told I knew this one was due
that's when told him to run away and shew

i don't believe.

two is the luckiest number
(4X)

no night can be perfect but this comes pretty close oh
oh ohh
2X

two is the luckiest number
(7X)
