"Nowhere"

I know this is suppose to be fun
I know our troubles are done.
But I don't feel right.
I know were gonna be alone
Together.

I miss my family
I miss my family
Not that you're not enough,
But the road so far,
And we couldn't walk it,
And we're in the middle of nowhere

I have mixed, feelings right know
I know we've been planning this
For oh so long
I know we were gonna be alone
Together.

I miss my family
I miss my family
I miss my family
Not that you're not enough,
But the road so far,
And we couldn't walk it.
Were in the middle of nowhere

I miss my family
(I miss my family)
I miss my family
Not that you're not enough,
but the road so far
and we couldn't walk it
Were in the middle of nowhere
Were in the middle of nowhere
Were in the middlle of nowhere
