On dark cold nights
when the lights aren't shining bright
you'll be there
to lead me home
and give me a loan
of love
and that white dove
will sing a song from up above
you will be there
you will be there
no matter far away no matter how long it takes you will
be there
ooooooooooooo
on dary cold nights when the lights not shining bright
you will be there
to lead me home
and give me a loan
of love

and that whit dove
will sing its song from up above
you will be there
no matter how far away
no matter how long it takes
i can always count on you to be there
ooooooooooooooooo
