Everyone is on
The bridge of poseiden
The bridge is pretty
High from the sea
The bridge starts
To shake so badly

All the people try
To hold on for their lifes
But the bridge is
Breaking down one by one

They try to call the ones
They love to save them
Can they hear
Them call their names?
Or are they
Just to far away
Could time be running
Out for these poor people?

There cars have been thrown away
By this terrible wind
The top of the bridge is getting close
To the water, and every house
Has gone to the bottom of the sea

Will all the people
be able to hold on?
Or has time ran out on them
Can they survive
the bridge of Poseiden

Will all the people
be able to hold on
Or has time ran out on them
Can they survive
the bridge of Poseiden

Will all the people
Be able to hold on

Or has time ran out on them
Can they survive
The bridge of Poseiden

A giant from the sky
And a giant from the sea
Is spinning the bridge all around
People run for their lifes
As Thor takes his hammer
And hammers the road
all the way down
The Almighty god of thunder Zeus
takes lighting bulbs
and strikes us once again
Hades comes from underground
changes the clouds from white to gray

Feels like Ares is
All around us all sometimes
How can we be brave
Like Athena 'Goddess of Wisdom'?
Spread your love and beauty
All around 'Goddess of Love and beauty' Aphrodite
